## Comment text:

**Related subject:** South Shropshire - Cleobury Mortimer division

Council discussed the proposals for Shropshire Council's Cleobury Mortimer division. It was felt that no change is needed and we wish to remain aligned with Cleobury Mortimer where we support the shops, businesses and services. We do not accept being put in a ward with Stottesdon which misrepresents where we are geographically. The current proposal from the Boundary Commission offers us nothing and separates us from our adjoining market town of Cleobury Mortimer and we object to this proposal.
