## Comment text:

**Related subject:** Criftins/ Dudleston Heath

Don't understand the map showing this village moving into St Martins currently we are Ellesmere Rural. I can only assume you are removing this area? Most people associate with Ellesmere not St.Martins for Shopping, Senior School, Library, Doctors, Dentists, Chemists, Socialising and Entertainment. Why change this?

St. Martins is growing as fast as Ellesmere so growth in people numbers should stay consistent.
