I absolutely object to the proposal to put Nash & Boraston, currently in Clee division into Cleobury Mortimer division. All of our amenities, community and recreational facilities are based in Clee Hill village, Burford and Tenbury Wells. We have no connection to Cleobury Mortimer which is seven miles away.

To be represented on Shropshire Council by a local councillor who has no connection to our area is unacceptable and ineffective with regard to "local government".

Please reject this proposal for the sake of our community.
