I have lived in the Hoccum area for 30 years. I am very happy with the boundaries remaining in place! Hoccum and the Hobbins is a happy functioning part of the Worfiled community. Using its local eateries, tennis, cricket clubs, and beautiful church facilities. I cannot see any reason why we need to come under the umbrella of Bridgnorth. It would only lead to the loss of our wonderful community spirit! I can only feel the reasoning for including Hoccum and Hobbins into the Bridgnorth Boundary is so that we can be railroaded into group decisions to our disadvantage.
