I'm in Keighley East, and it's a fair description of the ward. I look to Keighley for my transport and food shopping needs. My dentist and GP practice are in Bingley, and I use Skipton, Ilkley, Bingley, Bradford and Leeds for other shopping needs. I guess we could be part of an expanded Ilkley/Rombalds or Bingley ward, but our village is situated above Riddlesden and we can see Keighley, so Keighley East makes the most sense.
