I live on the original Cote Farm housing estate in Thackley, BD10. The estate is divided roughly in half by a diagonal bridleway, which also acts as the electoral boundary between Windhill & Wrose and Idle & Thackley. I find it odd that I live in Thackley, have a BD10 postcode yet am in the W&W Ward. The two areas are very different, with neighbouring Windhill having pockets of quite high deprivation and Thackley being relatively affluent. The needs of the electorate will be very different therefore, and I think all of Thackley, including my half of Cote Farm, should be within the Thackley & Idle Ward.
