## Comment text:

**Related subject:** Wharfedale

I have no particular opinion on the boundary of wards. However I do feel this is a good opportunity to look at the autonomy of Wharfedale and Ilkley We do not feel part of Bradford. Indeed we object to images of Ilkley's iconic Cow and Calf rocks being used as promotional material for Bradford itself. We agree with our MP, Philip Davies, that this area, with Keighley deserve to be independent of Bradford.
