These boundaries seriously cannot be changed, we are a very small village on the River Wear and by being moved into Evenwood and Staindrop area, we will be lost as a village. The new proposed area is for too big. Our area has and still is part of Wear Valley as we are just a stone throw away. This move makes no sense at all, we are a DL14 postcode where as Staindrop is a DL2 postcode. We should stay with West Auckland as it's going to be a small area and Staindrop should really be going in with Barnard Castle
