I disagree with the changes proposed to include Etherly Dene, Etherley Moor, Etherley Grange, Escomb and Witton Park into a new larger Evenwood and Cockfield Ward. With considerable new housing developments underway in this area, it makes no sense to link these communities on the edge of Bishop Auckland with the diverse rural villages to the south and west. The villages around Ingleton are part of the Tees Valley. While Cockfield, Butterknowle and Woodland are distinctly part of Langleydale. I believe there is no need to change the existing West Auckland ward which serves our local communities and is geographically self contained. We will be better represented by the existing councillor ward which can address our concerns and the future of our linked suburban communities.
