My comments on the draft recommendations for Durham County Council are as follows:

My family live in Lanchester under Greencroft Parish Council. Under the draft proposals we would move from Lanchester Division to Consett North (we fall just outside the proposed new boundary for Lanchester). We live 1 mile from Front street in Lanchester village and use the amenities and services eg schools (primary and secondary), community centre, church, parks, bike track, shops, restaurants and bus route. We also attend local events in Lanchester (Christmas Eve carols). We would therefore ask to stay within Lanchester Division, not Consett North. Whilst I am happy for my views stated above in bold to be published as part of the consultation process, I do not want any personal information to be published eg name, email address or home address.

Thank you very much
