Dear Boundary Commission,

As our family has now been a resident in Escomb for many years and seen the vast improvements that have been made by not only the Local Authority but the Local Community as well, I find it now disturbing that the Parishes of Etherley Dene Witton Park and Escomb are to be moved into a super ward. How on earth could this benefit any of the wards in the amalgamation. It is difficult enough for the present County Councillors to give their time to the present ward system, so it will be impossible for them to oversee everything that is happening in a super ward.

What possible benefit can there be to our village of Escomb. I strongly oppose this move as does the rest of the family.

Kind regards
