I do not live in Cradley, or even Wollescote. I live in Lye, and always have done. I am less than 5 minutes walk from Lye High Street, my nearest rail station is Lye, my nearest library is Lye Library. Stop trying to lump Lye in with Cradley, Colley Gate etc. Why can't we be Lye and Wollescote, or Lye, Wollescote and Stourbridge North at a push? At least you removed the Foxcote part from the ward name, seeing as that excluded a large part of the ward.
