## Comment text:

Dear Commissioners,

As an Elmbridge Borough Councillor for Hersham Village I am writing to encourage you to retain the status quo of the Hersham Division and not move Whiteley Village to Weybridge.

Residents of Whiteley Village consider themselves connected with Hersham where they have access to supermarkets, churches, community centre and medical facilities all within a few minutes drive. Importantly, public transport is also available for those who do not have cars or want to drive . Whilst Weybridge has services it does not have the transport connections.

This means that residents of the Village are very focused on what happens in Hersham. As issues arise it is important that they be represented by someone who understands their concerns and who can assist them.

I understand your original report was for no change to the boundary. To now propose moving Whiteley Village would be a retrograde step, likely to be much resented by the residents.

Yours sincerely,

Paul Wood
