**Email:** [REDACTED]  
**Postcode:** [REDACTED]  
**Organisation Name:** (Member of the public)

## Comment text:

**Related subject:** Bensham and Lobley hill

I've always found it completely bizarre that bensham and lobley hill are paired. Even looking at the map you can see that it's odd. I live in bensham and never go to Lobley hill. On a dail basis I spend time in the bridges and saltwell wards. I can imagine similar is true of most bensham residents.
