

Surrey

Personal Details:

Name: Mr Paul Edwards

Email: [REDACTED]

Postcode: [REDACTED]

Organisation Name: West Clandon Parish Council (Representative of parish/town council)

Comment text:

The Boundary commission are looking to links between East and West Clandon (which are currently in different SCC wards). The 2 parishes share much in common including a Rector, a “Parish Magazine” which is delivered free to all houses in East and West. There are also a number of shared clubs and societies including the East & West Clandon Residents Association (EWCRA) and Clandon Social (membership is open to residents of both Clandons). The term “the Clandons” is well understood locally. There is an easy footpath connection between the two which many residents use. So it is quite clear the two are linked in ways which would not apply to, say, West Clandon and Send or to West Clandon and Albury.
