Related subject: Great Baddow

Given that the Parliamentary Boundary review has suggested removing Galleywood from the Chelmsford Parliamentary Constituency, the local community in Great Baddow East and West might be better and more logically served by combining with Chelmer Village and Goat Hall into a new County Electoral Division with Galleywood forming a separate county division with Little Baddow, Danbury and Sandon and other areas of Chelmsford within the proposed Maldon Parliamentary Constituency such as Bicknacre and East and West Hanningfield.
