Dear Sirs

I was most concerned to learn of the proposal by The Boundary Commission which in effect will mean that Weston Green residents will be moved to a different division.

My concern is even more so as this proposal goes against Surrey County Councils own recommendations which did not include any major change to our local area

The current position facilitates a strong and cohesive community ,easily identifiable ,familiar to residents and most importantly it works very well .

I trust that upon further measured reflection that you will not proceed with this proposal Kind Regards

[REDACTED]

( a long standing resident)
