Comment text:

Dear Sir,

I am horrified at the proposed changes to the Boundary between Thames Ditton and Weston Green. I can't do any better than our local Residents association comments, with which I completely agree. We have been together since the Domesday Book and have an excellent relationship with them but have few connections with Molesey.

I really just want to shout – NO,NO,No– Leave us alone!!!!

This is bound to cost money somewhere along the line – money that could be spent in far better ways than meddling with a system that works well for all concerned!

Maybe there is a good reason why Surrey hasn't been reviewed for some time! Please listen to the local councillors who know all the areas well.

The old saying is

If it ain't broke, don't fix it!

Yours Very Sincerely
