DITTONS BOUNDARY

Dear Sir,

I wish to record
my objections to the
proposals set out by the
LgBC to alter the
boundaries in 'The
Dittons'. I am a resident
of Thames Ditton, & proud!

I see absolutely no
benefit or need to
change boundaries
which have been in
place for hundreds of
years, and work well.
This will not be cost
effective and cause
unford disruption and
unease to residents.
Yours faithfully
