To whom it may concern,

I am writing to inform you, as a resident of Thames Ditton, I completely oppose the Boundary Commission's proposal to separate Thames Ditton from Weston Green and Long Ditton. These communities have a natural affinity given their proximity and have existed together for nearly 1,000 years.

In particular we live close to the boundary between Thames Ditton and Long Ditton and feel a formal boundary between the two would in time result in numerous unfavourable consequences.

For these reasons I feel it is completely inappropriate to divide these communities up like this, and respectfully request this proposal is withdrawn.

Yours faithfully,
