## Personal Details:

Name: [REDACTED]  
Email: [REDACTED]  
Postcode: [REDACTED]  
Organisation Name: (Member of the public)

## Comment text:

I disagree with the recommendations of LGBCE and how it aims to treat Oxshott. Oxshott as a community has its own identity, people, high street, and local services and infrastructure. There is not a justified reason to carve up the community via an arbitrary line down the high street.
