**Related subject:** Oxshott

I fundamentally reject the recommendations of LGBCE for the way in which it proposes to treat Oxshott. Oxshott is a thriving community, with over 5,000 residents, it's own infrastructure and beautiful countryside. I do not believe there is any justification for making such drastic changes to our village. I feel it would affect the local business's and have a severe impact on the community. The identity of the village, that so many people have worked so hard to create, is the reason that people want to reside here.
