Email: [REDACTED]
Postcode: [REDACTED]
Organisation Name: (Member of the public)

Comment text:

Related subject: Oxshott

Oxshott has a real sense of community and must not be divided in two as recommended by LGBCE. It has its own schools, station High Street and medical centre and destroying its sense of self by cutting it in two with a line down the main road would destroy this. The existing boundaries should be maintained ie it must remain as part of Hinchley Wood, Claygate and Oxshott.
