In my opinion this is a total waste of taxpayers money. There is nothing wrong with the boundaries as they stand and have done for many years. "The Dittons" have been that way for as long as I have lived here. Long Ditton and Thames Ditton as one!!  
If the council cannot come up with a better use of taxpayers money than to waste it on unnecessary boundary changes then my suggestion would be put the monies these ridiculous changes would cost towards the fight to keep the green belt area at Stokes field green!!!
