Related subject: Long Ditton & Thames Ditton split

Please DO NOT split the Dittons. This would be utterly ludicrous and a disaster for the area of Long Ditton. As pointed out by others, there is so much history for "The Dittons" to split them would be a terrible change that will unlikely be reversed. I am desperate for the Tories to lose the next general election and I fear if you go ahead with this proposal it will severely affect the way people vote in the area. Please find another way that keeps the Dittons together. Thank you.
