Related subject: Long Ditton and Hinchley Wood

My wife and I oppose the redrawing of council lines separating Long Ditton and Thames Ditton. We often use Thames Ditton facilities (health centre, library) and like their shops on Portsmouth road and their High Street. We also enjoy walking to Giggs Hill green. We feel the separation doesn't meet the criteria set out. Both areas are quite similar in name and nature. We don't see any benefit from the change.
