**Related subject:** Oxshott

I do not agree with the Boundary Commission Review assessment to split Oxshott down the A244. It does not meet the second objective that is supposed to "Ensure the recommendations reflect community identity." It carves Oxshott Village in half and drops the name Oxshott for instance, where is our identity? I would ask that the recommendation is revised back to the current boundaries which do recognise Oxshott's identity better.
