Dear Sir/ Madam

We wish to object to the proposed changes to the electoral divisions in this area.

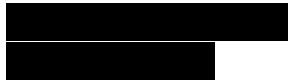

Thames Ditton and Weston Green have been a single unit since the Domesday Book and local residents feel a strong affinity with each other. The residents of Thames Ditton do not feel the same connection with East Molesey which is separated from us by the busy Hampton Court Way and playing fields.

The Thames Ditton & Weston Green residents' Association, established in 1934 is the second oldest in the country and has an active membership encompassing both Thames Ditton and Weston Green. Regular events are held involving both communities such the annual Secret Gardens open days which alternate between Thames Ditton and Weston Green.

The current boundary change would result in two County Councillors serving our community which is an unnecessary change as the current division boundary is clear, easily identifiable to residents and it works.

Yours sincerely
