I am concerned about the recommendations in respect of their treatment of Oxshott where I am a resident. I see Oxshott as a thriving community with its own train station, schools and high street. I identify as a resident of Oxshott and am proud to live in Oxshott. I see no basis for dividing the Oxshott community arbitrarily between Cobham and Esher. Oxshott has its own issues as a community which should be dealt with by a single dedicated councillor - not by two separate councillors.
