Related subject: Elmbridge - redrawing of county boundaries.

The Boundary Commission is proposing to re-draw Surrey CC boundaries that will mean we (Weston Green) get carved out of the Dittons ward. I am totally against this.

We're already joined to Hinchley Wood in Elmbridge since their 2016 carve up of Boroughs but this will separate us from our links with Thames Ditton (mentioned in the Domesday Book) forever.

We need to preserve our community spirit - with Thames Ditton Today magazine, and events such as our Secret Gardens (shared alternate years with TD), recent jubilee party, the Nature & Climate Festival etc.

We need a continued voice in the TD&WGRA and a SCC councillor who has interest in our small pocket.
