**Related subject:** Dittons

The Dittons are a related historic region far older and separate from Hinchley Wood. Long and lower Thsmes Ditton are connected by the Parishes of St Mary's and st Mary's and Nursery schools and Dittons scouts troupes as well as socially with the library and community centre. Not a few Dittons mrmbers have been to Shewsbury house school. Changing boundaries serves no useful purpose will be divisive anf expensive please do not divide the Dittons and thtoe another bit of history in the bin.
