Dear Sir/Madam,

Per the advice in the Resident's Association documentation (<https://www.residents-association.com/news/latestnews/td-wg-electoral-boundary-carve-up>) on this issue, I would like to submit my objecting comments.

The suggestion to amend Thames Ditton's boundaries does not seem beneficial to the community. The recommendation would divide a pre-existing community that has been supported by the Thames Ditton & Weston Green Resident's Association for many years. Amending the boundary would directly impact the community identity and thereby infringe on how locals can trust or rely on our local government resources.

In addition to concerns raised by the Resident's Association and neighbours, it appears that Surrey County Council has not endorsed the suggestion to amend the boundary. This indicates that local government/institutions and the community do not want this change and therefore respecting their opposition to the boundary change would uphold the electoral equality in this community.

Kind regards,

[REDACTED]
