**Related subject:** Surrey Boundary's

I am a resident of Greenwood Road and disagree with the changes. I cannot see any reason why we would be connected with Thames Ditton requiring a boundary change.  
We have a Thames Ditton address but really are slap bang in-between Long Ditton and Hinchley Wood. Thames Ditton village is the other side of the Portsmouth Road!!!  
All our amenities are located within Long Ditton or Hinchley Wood so grouping us with Thames Ditton and their concerns would ultimately mean that we would have no representation.
