Boundary Commission proposes carve-up of Thames Ditton & Weston Green

I object to the proposal. Here's why:

Thames Ditton and Long Ditton are closely linked, the names themselves being a good indication. They are mentioned in the Domesday Book. There are many connecting roads, so they form a natural unit at the north-eastern edge of Elmbridge. There is a real sense of community within the Dittons, enhanced by being served by a single County Councillor; the two Residents' Associations work closely together. Splitting the two areas would be artificial.

This proposal would result in two County Councillors serving our community. The current division boundary is clear, easily identifiable, familiar to residents and, most importantly, it works. This is why Surrey County Council themselves did not propose any major change. SCC are right.

Sincerely
