Organisation Name: Upton upon Severn Town Council (Representative of parish/town council)

Comment text:

Related subject: Upton upon Severn

Upton upon Severn Town Council are minded to keep the divisions as they are now, with no change to boundaries. Councils will not get sufficient support from their County Councillor if the number of parishes in a division are too high. The number of parishes in a division should be considered rather than the number of parishioners. Are the number of parishioners stated in the consultation for Croome division correct?
