Friends of Silksworth Park are a local friends group consisting of many residents living across Silksworth Ward, some of whom will be affected by the current boundary commission proposal.

We would suggest some changes to the current proposal for Silksworth Ward which would see many of the members from Friends of Silksworth Park go into Doxford Ward.

We would like to see the name of the ward be Silksworth and Farringdon Ward not Farringdon and Silksworth Ward.

The current proposal to remove parts of Silksworth Ward to Doxford Ward would see us lose many members and we would suggest that the following streets all remain in Silksworth Ward - Cambridge Rd, Surry Ave, Pembroke Ave, Quarry St, Orr Ave, Davison Ave, Norman Ave, Park Ave, Emmerson Tr, Byrne Tr West, Hill Brow, Londonderry St, Londonderry Rd, Hill St Maria St, Robert St, Lord St, Aline St, Quarry Rd. We also suggest the Boundary Commission considers Cherrywood Gardens, Shoreswood Drive and Redwood Grove to be included.

We hope as a Friends group in our community the boundary commission can look at these suggestions and act upon these so Silksworth does not get split in half to gain more of another ward
