Dear Sir/Madam

We have recently been informed of the plans to merge Hastings Hill with Pennywell Estate and wish to advise you that we strongly object to this proposal.

We have lived on Hastings Hill for 43 years, we walk our dog on the Sandhills, Springwell Extension and Barnes Park. We have no reason whatsoever to venture into Pennywell, there is also a dual carriageway which divides both estates which is difficult to cross.

Our bus service, Hastings Hill no 16, also covers the Grindon and Springwell estates, not Pennywell, unless there are plans in place to extend the services 10, 11, 20 and 39 into Hastings Hill, which we very much doubt.

We would be interested to hear why this review has been proposed and what purpose it would serve when we do not share any schools or community facilities with Pennywell.
