## Comment text:

I disagree with the current proposal to change Silksworth. My business and home are both in Silksworth and are a Silksworth business - this would have a huge impact on my florist and I believe that Silksworth Terrace should remain part of Silksworth along with the houses behind that have always been known as Silksworth including Park Avenue, Orr Avenue.  
Silksworth should not be changed and left alone as this will have a detrimental effect.
