Dear Sir or Madam,

I have recently become aware that a review is taking place into the Sunderland Council boundaries and there is the potential for Hastings Hill and Grindon to be merged with Pennywell and South Hylton.

I am concerned by these proposals and would like to lodge my objection.

I have lived in the area all my life beginning in Springwell where I lived for 22 years and then in Hastings Hill since the estate was first constructed in 1968. There is strong sense of community between these areas with residents sharing school and community facilities and open spaces. There are good road, walking and public transport links between Grindon, Springwell, Thorney Close and Hastings Hill. The same cannot be said of Pennywell and South Hylton, with a very busy dual carriageway dividing the communities.

I'd like to see the current boundaries retained so that we can continue to enjoy the close links our communities share.

Thank you for your consideration.

Yours sincerely
