Related subject: Hastings Hill

Dear Sir/Madam,

I am emailing your department because myself, my husband [REDACTED] and my son [REDACTED] strongly disagree with the merger you are considering with Hastings Hill and Pennywell.

Hastings Hill as well as Grindon, Springwell and Thorney Close serves the local Sandhill View Academy as well as our local community facilities such as The Grindon Young Person's Centre, the Air Cadets on Tay Road and not forgetting the Family Hub at the Thorney Close Action and Enterprise Centre.

We have excellent road, walkways and public transport links between Hastings Hill, Thorney Close, Grindon and Springwell, this is certainly not the case with Pennywell and South Hylton where it is so difficult to walk or use public transport to and from Hastings Hill.

After 10 years of been living away in County Durham we moved back to Hastings Hill, Sunderland, and are now horrified to hear of your proposals to merge with Pennywell and South Hylton.

We all agree with the Commission's proposal to keep Hastings Hill, Thorney Close, Springwell and Grindon together as one ward.
