Comment text:

We strongly object to the boundary of Southwick and Fulwell wards. We live at [REDACTED] and we shop in Fulwell, our grandchildren go to Fulwell school, our children live on Seaburn Dene Estate, our doctor and dentist are at Fulwell and most of our social life is at Fulwell and Seaburn. The boundary would make more sense and be fairer if it was this side of Newcastle Road. We strongly object to this change of boundary. [REDACTED]
