Comment text:

Dear Boundary Commission,

I am writing to object to the new proposals to change the local government boundaries in the Fulwell Ward.

I live at [REDACTED] and have lived in Fulwell for much of my life, having lived in East Grange, as a child.

The boundary should end at Newcastle Road and not the railway line. I feel very much a resident of Fulwell and support the local community here wherever possible .

I do not feel I belong to anywhere other than Fulwell and strongly oppose the decision to change the boundary so that Coniston Avenue becomes part of the Southwick ward.

Yours sincerely

[REDACTED]
