Comment text:

Dear Boundary Commission,

I am writing to provide comment on the recently announced proposals for the boundary changes in Sunderland.

I feel the Pennywell Ward name is not appropriate and I support the Conservatives' proposal to rename this Pennywell and South Hylton, as these are two distinct areas within a single ward. I support the proposals for the neighbouring Herrington Ward, but do not agree with running a boundary through the middle of Barnes Park or the Sainsbury's site - I endorse the Conservative proposals in both respects.

Kind regards
