Dear Reviews,

[REDACTED]

We purchased our home in Fulwell the area we like to live .

Any shopping we do is in this area ,our friends our in this location our doctors are in the area . The boundaries of the area should be as it is I.e. Newcastle road the community area and not a railway line that we don't even use.

We do not use Southwick at all ,not for shopping or indeed anything else.

As you may expect we are totally against our community change. Especially when this area has been in Fulwell all our lives and we wish it to remain the same in the future.

Yours Faithfully

[REDACTED]
