Comment text:

I agree with the proposal of the Commission to keep Grindon, Hastings Hill, Springwell, and Thorney Close as one ward.
I do not agree that we should be merged with Pennywell ward.
There is an obvious boundary with Chester road that separates Hastings Hill from Pennywell.
Shops and a pub are all in easy walking distance
.

Having been a resident of Hastings Hill for over 40 years I do not want to merge with Pennywell.
