I am opposed to the new boundary changes take me from Fulwell ward into Southwick ward. My children went to St Benets school, we socialise at the Blue Bell pub are members of Millview club and shop on sea road. we walk our dog through Roker Park to Seaburn and have our morning coffee. we have nothing what's so ever to do with Southwick. we are from Fulwell and what to remaing so contributing to our community. I believe the boundary should be between Newcastle Road to Southwick and not from the railway line.
