Comment text:

I am writing as a resident of Springwell to support the Local Government Boundary Commission's proposals for our area.

I am in favour of the entire estate of Springwell being included in a single ward for the first time, together with the neighbouring estates of Grindon and Thorney Close.

The boundaries are easy to identify along Chester Road, Durham Road and to the back of Springwell Estate along Saltburn Road.

It is easy to get between the different parts of the proposed ward, and there are good bus links and walking and cycling routes through the Barnes Park Extension from one side to the other.

I urge the Commission to adopt the Sandhill Ward as proposed.

Best wishes,

[REDACTED]
