**Postcode:** [REDACTED]  
**Organisation Name:** (Member of the public)

## Comment text:

**Related subject:** HARWELL

The Valley Park area east of the A34 will clearly be part of the Didcot conurbation, as is adjoining Great Western Park. The whole of these new estates should be administered together, and Valley Park and all Great Western Park should be transferred to one of the Didcot districts (and from Vale of the White Horse to South Oxfordshire). The A34 forms the natural boundary between those communities and Harwell.
