

Oxfordshire County Council

Personal Details:

Name:

[REDACTED]

E-mail:

[REDACTED]

Postcode:

[REDACTED]

Organisation Name: Voter

Comment text:

We need to keep the green belt as far as is possible but we also need better transport and infrastructure improvement the council seems to be blinkered about the city the rural areas seem to be overlooked Itns are a nightmare just for visiting family members is now being outlawed by these measures it's time to listen to your voting public and not just plough on with these big brother tactics please let's have a proper enquiry about these problems.
