Postcode: [REDACTED]

Organisation Name: Gloucestershire County Council (Member of the public)

## Comment text:

**Related subject:** Fairford and Lechlade on Thames

Boundary of Wiltshire and Gloucestershire should ideally be straightened out to follow the C road to the A419. Current situation causes problems as responsibility for maintenance of highway keeps changing for different sections of the road. Some mineral sites under Wiltshire and some under Gloucestershire but can be neighbours would be better under one development plan.
